

# EXHIBIT G

WEBVTT

1

00:00:12.660 --> 00:00:14.660

Jacob Claver: Jake morning. How's it going?

2

00:00:15.290 --> 00:00:16.700

Rodney Reisdorf: Think we have a problem?

3

00:00:16.920 --> 00:00:17.790

Jacob Claver: What's up?

4

00:00:18.250 --> 00:00:21.030

Rodney Reisdorf: So I got a call from Barrack.

5

00:00:21.250 --> 00:00:23.170

Rodney Reisdorf: Sheppam's in Belgium.

6

00:00:23.450 --> 00:00:24.190

Jacob Claver: Okay?

7

00:00:24.610 --> 00:00:30.850

Rodney Reisdorf: And he provided me a lot of questionable information that you sent him with veravan dot

8

00:00:33.650 --> 00:00:41.429

Rodney Reisdorf: screenshots of Erwin balances wire confirmations with my name and Veravon's name on it that we never sent. So we wanna figure out what's going on.

9

00:00:50.660 --> 00:00:52.189

Jacob Claver: I've settled up with him.

10

00:00:52.680 --> 00:00:57.759

Jacob Claver: I misled him.

11

00:00:58.410 --> 00:00:59.680

Jacob Claver: and

12

00:01:03.930 --> 00:01:05.069

Jacob Claver: shouldn't have done that

13

00:01:07.470 --> 00:01:15.530

Rodney Reisdorf: all right? Well, I mean, whatever's between you and him now involves us, because now that that fabricated wire confirmation has my name and Veravon's name on it.

14

00:01:17.680 --> 00:01:19.540

Jacob Claver: Understand?

15

00:01:20.110 --> 00:01:21.040

Rodney Reisdorf: so

16

00:01:21.160 --> 00:01:27.279

Rodney Reisdorf: just to be clear with you, we have shut off all of your access to air, Van, because we can't trust this relationship anymore.

17

00:01:27.390 --> 00:01:28.390

Jacob Claver: I understand.

18

00:01:29.530 --> 00:01:43.350

Rodney Reisdorf: And I need. We need to know, like what funds you've raised and what funds have gone to, where? Because now, if we're implicated in this, that's a huge concern for us

19

00:01:43.480 --> 00:01:45.270

Jacob Claver: dealing with him. And we've settled.

20

00:01:46.940 --> 00:01:54.030

Rodney Reisdorf: Okay. I mean, I talked to him for about 30 min this morning. It sounds like that's not the case. II didn't share any details

21

00:01:54.080 --> 00:02:02.130

Rodney Reisdorf: with him about you, cause you're technically our customer. But he seems very concerned that he was promised an investment that he never received.

22

00:02:02.740 --> 00:02:04.930

Rodney Reisdorf: and he sent me a bunch of screenshots

23

00:02:05.290 --> 00:02:14.660

Rodney Reisdorf: of conversations between you and him, and screenshots that you send him. A Vera shows verb and wallet balances, but I don't believe we're raised, for on his behalf

24

00:02:14.810 --> 00:02:15.689

Jacob Claver: they were not

25

00:02:16.850 --> 00:02:29.049

Jacob Claver: okay, he that is not what he said was going to happen.

26

00:02:29.520 --> 00:02:36.410

Jacob Claver: And now I've been extorted out of about

27

00:02:36.700 --> 00:02:38.380

Jacob Claver: \$300,000.

28

00:02:43.750 --> 00:02:50.959

Rodney Reisdorf: So I mean II look back, Jake, and all the money that you raised, I believe, where White was wired out to Equities End.

29

00:02:51.010 --> 00:03:00.080

Rodney Reisdorf: and there was never an international wire to Lithuania for monic starl for 875 on the tenth of November, like he sent me a screenshot, so

30

00:03:01.400 --> 00:03:03.660

Rodney Reisdorf: we need to know, like what's what's going on.

31

00:03:05.140 --> 00:03:13.390

Jacob Claver: I made promises to him, and did not raise the money in time, and was being pressured and and made poor choices. That that's what went on.

32

00:03:14.290 --> 00:03:23.239

Rodney Reisdorf: Was there an entity that you have on Veravon that you were you were planning on raising this money through, because he mentioned something about expect.

33

00:03:23.430 --> 00:03:27.609

Rodney Reisdorf: Okay? Cause we look back, and there hasn't been any transactions through that.

34

00:03:30.400 --> 00:03:40.199

Rodney Reisdorf: So the other Jm. Equity venture orgs that you've raised money through, that you've asked us to send out wires to Equities end. I mean was that for legitimate investments in equities end for those

35

00:03:40.610 --> 00:03:42.240

Jacob Claver: normal. Yes.

36

00:03:43.420 --> 00:03:44.280

Rodney Reisdorf: okay.

37

00:03:45.920 --> 00:03:55.139

Rodney Reisdorf: well, like, I said, I mean, we, we've gotta sever this relationship, because we can't have you using bear event in our name to promise and

38

00:03:55.270 --> 00:03:58.040

Rodney Reisdorf: provide information. That's not factual to him.

39

00:03:58.670 --> 00:03:59.570

Jacob Claver: Understand?

40

00:04:01.590 --> 00:04:10.910

Rodney Reisdorf: Alright, I'm I'm gonna have to send you a formal notification like we did the first time with Syndicate Lee. And I, you know.

41

00:04:11.660 --> 00:04:25.709

Rodney Reisdorf: hope that this doesn't go any further. I'm going to leave it between you and him. But it's going to be really, really disappointing if this now implicates us because you used our platform to provide information to him.

42

00:04:26.260 --> 00:04:36.249

Rodney Reisdorf: II do owe him a call back

43

00:04:36.610 --> 00:04:46.039

Rodney Reisdorf: and I cause he sent me all this information and asked me to verify it. So whether you want me to tell him that, or whether you want to.

44

00:04:46.120 --> 00:04:54.419

Rodney Reisdorf: II do not want to get involved anymore than I need to in other

places. But he he does. He needs to know that what you provided him was not correct.

45

00:04:54.730 --> 00:04:58.239

Jacob Claver: What was what was the context of the conversation this morning

46

00:04:58.760 --> 00:05:23.250

Rodney Reisdorf: he called our our internal, like our just external sales line number, and spoke to one of our sales reps, and then started questioning where money was because he received screenshots from Vervend, and where you know you saying that you know, Rodney said that the bank fat finger the Ivan, and he's got confirmations, so my sales Rep gave me his direct number, and I called him, and I had a long conversation with him, and

47

00:05:23.360 --> 00:05:30.400

Rodney Reisdorf: I asked him to send me everything that he has on on this, and that was from bear event, and he sent me,

48

00:05:30.460 --> 00:05:32.449

you know, a plethora of screenshots.

49

00:05:37.050 --> 00:05:37.800

Jacob Claver: I

50

00:05:39.440 --> 00:05:41.210

Jacob Claver: don't know why that took place.

51

00:05:42.280 --> 00:05:50.100

Jacob Claver: Well, I mean, if you were telling him money was being raised through Vervend, I can see why he called, I understand, but he

52

00:05:50.700 --> 00:05:53.960

Rodney Reisdorf: told me he gave him a wire confirmation, Jake, with my name on it

53

00:05:54.110 --> 00:05:57.030

Rodney Reisdorf: that never happened. That's why he called us.

54

00:05:59.370 --> 00:06:02.700

Jacob Claver: I'm just saying I thought it was settled yesterday, and I'm

55

00:06:03.980 --> 00:06:04.950

Jacob Claver: I'm sorry.

56

00:06:06.620 --> 00:06:12.849

Rodney Reisdorf: alright. Well, between you and him it doesn't seem to be settled. So like I said, I'm gonna send.

57

00:06:13.000 --> 00:06:15.639

Jacob Claver: I completely understand.

58

00:06:16.100 --> 00:06:30.199

Rodney Reisdorf: Alright, and I think it goes without saying. But I will say, anyway, we're not going to be moving forward with Syndicate Lee to support you guys, because this can't happen. I mean, we're trying to really make sure that everything on our platform is legitimate, and it always has been, and

59

00:06:30.600 --> 00:06:32.629

Rodney Reisdorf: it can't. It's got to be that way.

60

00:06:32.840 --> 00:06:33.700

Rodney Reisdorf: Okay, sir.

61

00:06:34.370 --> 00:06:37.029

Rodney Reisdorf: Alright. Well, if we need anything else,

62

00:06:37.150 --> 00:06:42.699

Rodney Reisdorf: W, we'll have to talk again. But at this point we're just gonna terminate the relationship immediately.

63

00:06:43.020 --> 00:06:43.750

Jacob Claver: Got it.

64

00:06:44.380 --> 00:06:46.970

Rodney Reisdorf: Okay? Alright, I missed anything, John.

65

00:06:48.290 --> 00:06:54.970

Jonathan Ebel: No you and I'll have to take a look at outstanding wall balances, and we'll we'll figure out what to do next.

66

00:06:55.440 --> 00:06:57.590

Rodney Reisdorf: Okay. alright.

67

00:06:57.840 --> 00:06:59.769

Jonathan Ebel: we'll let you know, Jake.

68

00:07:00.710 --> 00:07:02.090

Rodney Reisdorf: Thanks.
